

Bouncy Bears August/ September Newsletter

Dear Parents,

Welcome to the Bouncy Bears classroom. My name is Ms. Linda. I'm looking forward to getting to know all the children as well as you. Now that our fall program has begun I like to ask that the children be at school by 9:00 or no later than 9:20. My reason is that we have snack at 9:15 and then our circle time will follow. At circle we sing our good morning song, read a book and go over our letters, number, colors, and shapes of the month. The children get to choose their favorite jobs - calendar, lights, door holder, water our plants, and the weather.

Share days will be on Mondays & Tuesdays. The children can bring in their favorite toy, books, cars, trucks or stuff animals.

Birthdays: If you would like to have your child share his birthday with the class that would be fine. I like to do it right after rest time. You are welcome to join us.

Cubbies: Please bring extra clothes for your child in case there is an accident. Make sure his name is on his clothes. Please bring a jacket or sweater every day because it can be cold in the early mornings.

Inside the classroom each child has a file folder with her name on it. Please make sure you check it daily. Any papers, notice or art work to go home will be in it.
